

**APPLICATION FOR MEMBERSHIP IN THE
UW STEM CELL AND REGENERATIVE MEDICINE CENTER**

Thank you for your interest in the Stem Cell and Regenerative Medicine Center. Membership of the SCRMC will include faculty / academic staff and student / post-doc categories and is FREE!

Faculty / Academic Staff

Faculty members will be expected to participate actively in the mission of the SCRMC contributing to the various committees, journal clubs, seminars, and teaching forums. Membership will be granted to those faculty and academic staff who clearly demonstrate scholarly expertise in areas relevant to stem cells and regenerative medicine as well as a willingness to contribute to the center's mission. Basic membership in the center will provide the member with regular communications from the SCRMC regarding ongoing events, research opportunities, and intramural grants as available, access to sponsored symposia and poster events. **All faculty members will be eligible to apply for access to core facilities using a separate application (formal process under development once membership enrolment is completed).** These will provide subsidised access to cell, imaging, primate and immunological services. Members will also be listed on the SCRMC website with relevant information. Membership will be reviewed every three years for renewal based on participation in SCRMC activities and mission. To apply for membership please provide the following information:

1) Demographics

Name:

Department(s):

Email:

Phone:

Webpage:

Title:

PI Status: Yes No

PubMed Link:

2) Research

a. Organ System/Disease Focus if any (e.g., Neurodegenerative disease, ALS):

b. Aligned Research Focus (e.g., tissue engineering of bone, basic stem cell science, invertebrate stem cell biology, etc):

c. Relevant Research Description (must be stem cell related and <200 words) (*This information will be used to populate your webpage on our website so please compose accordingly*):

d. 1-5 References (relevant to stem cell research)

- e. Picture or diagram (optional)
- 3) C.V. or NIH type biosketch.
- 4) Digital photo (*do not attach to this form but send as separate file*).

Please send your application via email to: Sue Gilbert at ssgilber@wisc.edu or via campus mail to Sue Gilbert at 5036 WIMR, 1111 Highland Ave.
